SUBJECT:
Discontinuation of the EKHWE(T) enameled DHW tank series

Dear Madam
Dear Sir,

Hereby we would like to announce you the discontinuation of the EKHWE(T) series.

Reason of discontinuation

The EKHWE(T) enameled DHW tank series has been discontinued due to non-compliance with the EU Erp lot 2 Tier 2 regulation. This is applicable for all models. No new enameled DHW tank will currently be foreseen for replacement. The discontinuation has already gone into effect from 26/09/2017 after which the stock availability needs to be checked with DENV supply.
