SUBJECT:
Sales launch of B-series of WLAN controller for Splits - REVISION

CORRECTION: Link to combination & feature table corrected

Dear Madam,
 Dear Sir,

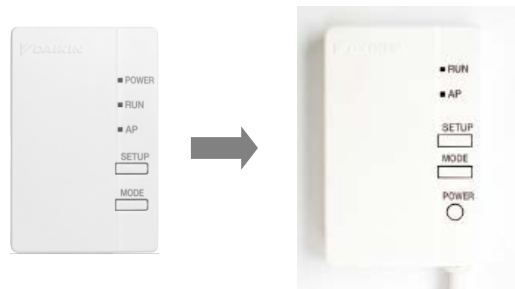

We would like to announce the sales launch of the new B-series WLAN adapter for RA.

APP NO CHANGE

*Daikin Online Controller APP
 (Version 2.2.0)*

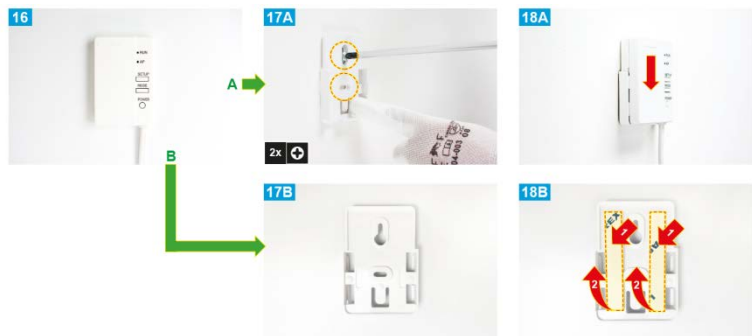

WLAN adapter Replace

- Material name: BRP069B4*
- Color: stays same

Outlook

- ON/OFF button
- Casing closed by means of a screw (instead of plastic clips)
- The case is mounted in a holder (see right) The installation manual can be found on the dedicated product pages on the business portal.

Functions

The functions remain identical to the BRP069 A-series, as can be seen from the table on the next page.
