SUBJECT:
Sales launch of the new "EKHWS-D" DHW tanks for the Daikin Altherma 3 ERGA-D

Dear Madam,
 Dear Sir,

Hereby we would like to announce you the sales launch of the new DHW stainless steel EKHWS-D tank series.

1. Product line up

This new range of EKHWS-D tanks were designed for the new Daikin Altherma 3 ERGA-D series. The new EKHWS-D tank will be available in 150l, 180l, 200l, 250l and 300l in the standard versions. **A 200l and 300l version will not be available in a 400V series** but it remains available in the EKHWS-B series. The full EKHWS-B line up will remain in the portfolio.

The new product line-up of the EKHWS-D series are given in following table:

Type	Description	Version	EKHWS-B Mat. name	EKHWS-D Mat. name
