SUBJECT:
Sales launch of upgraded VRV IV-i 5HP

Dear Madam / Sir,

Hereby we would like to inform you about the sales launch of the upgraded outdoor for indoor VRV IV-i 5HP.

Firstly, a new compressor module with a new compressor of high reliability and new software, will be available. Specifications will be the same as for RKXYQ5T7Y1B.

<i>Product Nr.</i>	<i>Material Nr.</i>
RKXYQ5T8Y1B	RKXYQ5T8

Secondly, a new - improved heat exchanger will be launched. The new module will have - amongst others - new thermal insulation. Details about new parts and changes will be communicated after completion of all tests and prior to sales launch. Please note that specifications will not change compared to RDXYQ5T7V1B.

<i>Product Nr.</i>	<i>Material Nr.</i>
RDXYQ5T8V1B	RDXYQ5T8

All specifications for new systems, will remain the same as for SB.RKXY5T (RKXYQ5T7Y1B + RDXYQ5T7V1B).

Combination of different models is as following:

	RDXYQ5T7V1B	RDXYQ5TAV1B	RDXYQ5T8V1B
RKXYQ5T7Y1B	✓	✗	✓
RKXYQ5TAY1B	✗	✓	✗
RKXYQ5T8Y1B	✓	✗	✓

Additional Sales BOMs will be created as following:

- SB.RKXYQ5TB: RKXYQ5T8Y1B + RDXYQ5T7V1B (valid from end-July to end-September)
- SB.RKXYQ5T8: RKXYQ5T8Y1B + RDXYQ5T8V1B (valid from end-September onwards)

In case of questions please do not hesitate to contact your Daikin representative.
