M7 electronic board	ESE745II	On-board electronic board with continuous modulation. For connection to M7 wall control controls	All			102,5	123,00
M7 electronic board	ESE746II	On-board electronic board with continuous modulation. For connection to M7 wall control controls with Bluetooth	All			115	138,00
M7 wall control	EEB749II	LED electronic control panel with touch interface, wall-mounted complete with thermostat and room temperature and relative humidity probe. Cable connection. Colour white	All			97,5	117,00
M7 wall control	EFB749II	LED electronic control panel with touch interface, wall-mounted complete with thermostat and room temperature and relative humidity probe with integrated WiFi module, InnovAPP. Wired connection. Colour white	All			265	318,00
M7 wall control	EGB749II	LED electronic control panel with touch interface, wall-mounted complete with thermostat and room temperature and relative humidity probe. Bluetooth connection. White colour	All			287,5	345,00
Recessed box for masonry	N000557A	Recessed box for masonry, for connection with M7 series controls	All			12,5	15,00
Recessed box for plasterboard	N000558A	Recessed box for plasterboard, for connection with M7 series controls	All			12,5	15,00
Electronic board	ESE645II	On-board electronic board with continuous modulation. Per connection to controls for wall control.	All			217,5	261,00
Wall control Smart Touch series	EEA649II	SMART TOUCH wall control panel with thermostat and room temperature and relative humidity probe, Colour black	All			217,5	261,00
Wall control Smart Touch series	EEB649II	SMART TOUCH wall control panel with thermostat and room temperature and relative humidity probe, Colour white	All			217,5	261,00
Wall control Smart Touch series	EFA649II	SMART TOUCH wall control panel with thermostat and room temperature and relative humidity probe with integrated WiFi module, InnovAPP, Colour black	All			252,5	303,00
Wall control Smart Touch series	EFB649II	SMART TOUCH wall control panel with thermostat and room temperature and relative humidity probe with integrated WiFi module, InnovAPP, Colour white	All			252,5	303,00
Electronic board	B10642II	On-board electronic board for control from systems with analog output 0-10 V	All			170	204,00
Electronic board	B4V642II	On-board electronic board for connection to electromechanical thermostats wall-mounted 3-speed	All			170	204,00
Control	B3V151II	Wall control with thermostat, summer/winter selector and speed selector	All			240	288,00

Hydraulic units and fittings	AI1157II	Pressure independent regulating valve DN 15, 290 L/h	All			265	318,00
Hydraulic units and fittings	AI1158II	Pressure independent regulating valve DN 15, 420 L/h	All			265	318,00
Hydraulic units and fittings	AI1160II	Pressure-independent flow limiting valve DN 15, 290 L/h	All			160	192,00
Hydraulic units and fittings	AI1161II	Pressure-independent flow limiting valve DN 15, 470 L/h	All			160	192,00
Hydraulic units and fittings	AI1170II	6-way valve systems 4 pipes DN 15	All			292,5	351,00
Hydraulic units and fittings	AI1171II	Actuator 6-way systems 4 pipes DN 15, for 6-way valves and pressure valves independent	All			200	240,00
Hydraulic units and fittings	AI0200II	Couple of EUROKONUS adapters for 1½" female connection (male fittings)	All			35	42,00
Hydraulic units and fittings	AI0201II	Couple of EUROKONUS adapters for 3/4" female connection (male fittings)	All			35	42,00
Hydraulic units and fittings	AI0203II	90° bended EUROKONUS connector	All			35	42,00
Hydraulic units and fittings	AI0501II	Distancer kit (1 piece)	All			35	42,00
Hydraulic units and fittings	AI0612II	Pair of adapters for flat ring	All			22,5	27,00
Hydraulic units and fittings	I20705II	2 way valve group with manual closure	All			130	156,00
Hydraulic units and fittings	V20661II	2 way valve group (water inlet valve, shut off valve and electro thermal motor)	All			335	402,00
Hydraulic units and fittings	V30662II	3 way valve group (water inlet valve, shut off valve and electro thermal motor)	All			345	414,00
